We need your help!

On Sunday, November 20th InHomePhotos.com presents the 2nd Annual CNY Portrait Project at 1607 Genesee Street. We are bringing together photographers, photo printers, hair stylists and makeup artists to donate their time and services to provide printed portraits to individuals and families in need.

Based upon attendance last year, **we estimate that there will be between 500 and 700 people attending this event.**

As part of the event, we want the portraits to be as special as possible to the people in attendance. To accomplish this, we need the services of Licensed Cosmetologists like you. The event takes place from 1:00pm until 5:00pm, requiring only 4 hours of your time. You will need you to bring with you everything that you'll need to cut hair at our location.

Please visit our website at www.cnyPortraitProject.com for more details. If you would like to assist us, please either call or visit the website to drop us an email. This will enable us to keep an accurate count to make sure we can provide these special services for the people attending the event. Thank you so much for your assistance in making this great event a success!
