## We need your help!

On Sunday, November 20<sup>th</sup> InHomePhotos.com presents the 2<sup>nd</sup> Annual CNY Portrait Project at 1607 Genesee Street. We are bringing together photographers, photo printers, hair stylists and makeup artists to donate their time and services to provide printed portraits to individuals and families in need.

Based upon attendance last year, **we estimate that there will be between 500 and 700 people attending this event.**

In addition to providing portraits, we will also be serving food to the people attending the event. In order to accomplish this, we need the help of local restaurants just like you!

We have Scott Tranter who is a **ServSafe Certified Instructor** and Registered ServSafe Proctor for the National Restaurant Association, overseeing the serving of the food.

We're asking for a donation of two trays of food to serve at our event.

Please visit our website at [www.cnyPortraitProject.com](http://www.cnyPortraitProject.com) for more details. If you would like to assist us, please either call or visit the website to drop us an email. This will enable us to keep an accurate count to know we will have enough food for the event. Thank you so much for your assistance in making this great event a success!
